

Vendor Exhibits
**Educational Entertainment for
your Event**
We bring the experience to you!

E3 Encounters wants to partner with your fair.

People come to a fair for new and unique experiences that they can't do elsewhere.

The key to engaging them is to make something interesting as well as fun for the whole family.

Our Encounters intertwine both educational experiences with unusual, innovative, fun themed activities.

E3 Encounters Ticket Amusement Products

E3 Encounters is a leading edutainment company delivering **five contemporary, interactive exhibits** that combine entertainment with curriculum-based learning.

Our **Vendor Exhibits** consist of the best amusement elements from each of our themes.

Our themed amusement exhibits include:

Dino Encounters – Animatronic Dinosaur rides, drive around dinosaur rides, Giant 80 ft long 18 ft tall TREX skeleton obstacle course, Jurassic Gyroscope Zorbs

Ice Age Encounters – Animatronic Prehistoric Mammal rides, drive around prehistoric mammal rides, Giant 80 ft long 18 ft tall fossil skeleton obstacle course, Frozen Snow Ball Zorbs

Mars Encounters – Mars mining grabbers, Mars base giant obstacle course, Drive around Mars Explorers, Martian Shooting Gallery .

Engineering Encounters – Construction Excavator Rides, Drive around mini forklifts, Construction Zone giant obstacle course.

Mythical Encounters – Animatronic dragon rides, Stable of drive around unicorns, giant Castle wall with dragon obstacle course.

Vendor Packages

- We have themed packaged containing 1- 5 ticketed items.
- Stationary rides, drive around rides, various types of inflatables and original games
- Depending on the space available and location, we can fill the spot with fun themed engaging activities for a mix of free and ticketed items
- Smallest required space is 20 ft by 40 ft up to 10,000 sq. ft. for a complete Children's Zone of themed amusement
- Ticket prices range from \$10-\$15 for each activity.
- We provide staff and utilize themed stanchions for line management
- We can provide COI for insurance liability
- We use Square to record all cash and digital payments, easy to report gross revenues and pay up to 25% in commission
- **Perfect for indoor or outdoor high traffic locations**

Why include E3 Encounters in your Vendor space?

Modernize your fair's appeal with new, contemporary-themed educational attractions each year that broaden your demographic reach and grow anticipation in the community.

Expand attendance by engaging young families with a unique blend of amusement, education, and interactive experiences.

Build long-term success by working directly with us—no promoters—so we can reinvest savings back into your fair as discounts and added value.

Strengthen community ties with a Vendor exhibit that is consistent year after year, while growing your audience and enhancing the fair's reputation.

Proven money making ability three years of data and two years of awards highlight our success

E3 Encounters is a brand you can trust—committed to creating lasting partnerships and unforgettable experiences.

Maximizing Your Event's Reach with E3

To ensure your feature exhibit draws the largest audience possible, E3 provides **ready-to-use social media content**—photos, videos, and a posting schedule—so your team can promote the event in advance with ease.

Our staff is available for **print, radio, and TV interviews** to help spread the word.

We can **integrate sponsorships** into exhibit signage and **Augmented Reality marketing products**, creating added value for your partners.

In addition, we will **share and promote your event** through E3's social media network, expanding your reach even further.

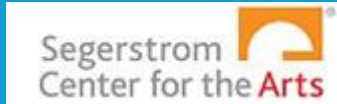

E3 is committed to helping your event succeed and **maximize attendance** year after year.
